NOTE: Benchmarks are shown in *Italics* beneath each Guild fund. Guild fund performance is *net of expenses* (including: management fees; independent audit fees; legal fees for ERISA and document updates; CDG operation costs; Trustee fees for custody of assets, distributions and transfers; and Board of Directors funds oversight administration) and should be taken into consideration when making comparisons to their respective benchmarks. The information in this report indicates past performance which assumes investment at the beginning of the period indicated. Past performance is not a guarantee of future results. Shares involve investment risk, including the possible loss of principal. Total return reflects the reinvestment of all dividends and capital gains. An investment in money market funds is neither issued nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Before investing or sending any money, read the **Investment Disclosure Information** (Rev. 3/2006) to learn about the investment objectives and risks of each fund.
